EDUCON INTERNATIONAL SCHOOL PRE SCHOOL CURRICULUM

Our pre-primary section follows the Maple Bear education system which is an International Preschool program offering four structured levels starting from toddlers, Nursery to Junior Kindergarten and Senior Kindergarten.

This Curriculum envisages the best Teaching/ learning practices of early childhood education which are well researched across the globe.

Strategies that make Difference in teaching

PROGRAMS OFFERED

Toddlers (2+ Years)

Offers an environment for the child to safely practice new skills they learn and set the stage for the next level of development.

Junior Kindergarten (4+ Years)

Children need to learn to make connections with past experiences and current learning. Integrating topics with skill development will help the children make sense of the world and their learning.

Senior Kindergarten (4.6+ Years)

The knowledge and skills that children acquire by the end of Kindergarten, along with positive attitudes to learning that children develop in these early years, form the basis of effective learning in the later years.

Nursery (3+ Years)

The program reinforces and builds on this positive attitude by offering varied stimulating, enjoyable experiences and enhances the individual learning styles.

Day Care

Age appropriate activities to promote cognitive and social development in a warm and nurturing environment. Structured day care curriculum.
